PRESIDENTS
MASSIMO CANDIANI
SERGIO SCHETTINI

The meeting will be based on updated and interactive sessions about the most relevant and controversial issues and procedures in minimally invasive gynaecological surgery. Leaving the deserved space and time to practical knowledges in endoscopic simulation, the notions treated will encourage the participants to actively interact with the audience as well as other colleagues, with the aim of stimulate a genuine debate, discussing about the most recent diagnostic techniques and the best surgical treatment options for our patients. Main attention will be given to the management of the patient affected by infertility caused by the major conditions susceptible of minimally invasive treatment. The congress will be also an opportunity to finally face a whole new generation of young surgeons, and give them the opportunity to take in charge the efforts and the role of our surgical fathers.

Massimo Candiani

Sergio Schettini

THURSDAY 15th OCTOBER 2020

PRE-CONFERENCE COURSES

"MERIDIANI" HALL

1 – THEORY AND PRACTICE OF OFFICE AND OPERATIVE HYSTEROSCOPY

Coordinators: C. De Angelis, E. Castellacci

08:00 - 08:30 Welcome desk opening and registration

08:30 - 08:50 Indications and contraindications for hysteroscopic examination

08:50 - 09:10 Instrumentation: outpatient hysteroscopy

09:10 - 09:30 Simple rules - **E. Castellacci**

09:30 - 09:50 Instrumentation: monopolar and bipolar resectoscopy

09:50 - 10:10 Resectoscopic surgical technique: polypectomy, myomectomy, metroplasty

10:10 - 10:30 Complications in hysteroscopy - **C. De Angelis**

10:30 - 10:50 Questions & answers

10:50 - 13:00 Hands-on: simulatore 3d, wet e dry-lab

13:00 - 13:30 Test ECM and closing remarks

13:30-14:30 Light lunch

"PARALLELI" HALL

2 - ULTRASOUND IN GYNAECOLOGY: A PRACTICE APPROACH

Coordinators: M.L. Pisaturo, M.T. Orlando

08:00 - 08:30 Welcome desk opening and registration

08:30 - 09:00 Ultrasound in emerging gynecological subjects

09:00 - 09:30 Ultrasound aspects of cavitory pathology: endometrial polyps, hyperplasia and endometrial neoplasms

09:30 - 10:00 Study of myometrium recognition and evaluation of leiomyomas and problems of differential diagnosis

10:00 - 10:30 Adenomyomas and adenomyosis, common and rare echographic aspects

10:30 - 11:00 Diagnosis of deep localization of endometriosis. Study techniques to be used in each ultrasound examination to raise suspicion or diagnosis of DIES

11:00 - 11:30 Live scanning and video clips show. Collegial discussion of ultrasound cases

11:30 - 12:00 Questions & answers

12:00 - 12:30 Test ECM and closing remarks

13:30-14:30 Light lunch

XIV INTERNATIONAL BIENNIAL MEETING DANIEL DARGENT

"From technology to satisfaction rate"

"GLOBO" PLENARY HALL

THURSDAY 15th OCTOBER 2020

14:30 - 14:45 Welcome desk opening and registration

14:45 -15:00 Opening ceremony and welcome of the authorities

15:00 - 17:00 SESSION 1: ABNORMAL UTERINE BLEEDING

Chairmen: E. Cicinelli, E. Zupi

Provokers: W. Alio, M. D'Alterio

15:00 - 15:20 Key note: diagnostic hysteroscopy is there a role? - **C. De Angelis**

15:20 - 15:40 Debate - Patient satisfaction in office hysteroscopy: tips and trick - **E. Castellacci vs D.**

Incandela

15:40 - 16:00 AUB: diagnostic algorithm for a practical guidance - **F. Campolo**

16:00 - 16:20 Debate - Focus on fibroids, MIGS & drugs: when and how - **A. Maiorana vs I. Pino**

16:20 - 16:40 Debate - Surgical vs not surgical alternatives for AUB - **E. Zupi vs F. Martire**

16:40 - 17:00 Questions & answers

17:00 - 19:30 SEGI YOUNG SESSION: COMPLICATION SESSION

Chairmen: **A. Maiorana, S. Schettini**

Provokers: **A. Albano, G. Centini, P. Giampaolino**

17:00 - 17:20 Key Note Lecture "Basic rules in laparoscopy: how to avoid complications" - **G. Centini**

17:20 - 17:40 Entry: we have to take a risk - **I. Argay**

17:40 - 18:00 Be aware of the Bowel!!! - **G. Lanzo**

18:00 -18:20 Hysterectomy: let's minimize the risk - **M. Coppola**

18:20 - 19:00 Video contest - **SEGI Young**

19:00 - 19:30 Questions & answers

FRIDAY 16th OCTOBER 2020

09:00 - 11:00 SESSION 3: ENDOMETRIOSIS

Chairmen: R. Seracchioli

Provokers: G. Centini, M. Coppola, J. Ottolina

09:00 - 09:20 Debate - Ultrasound or magnetic resonance: what's the best way (diagnose, stage and plan surgery) - **C. Exacoustos vs L. Manganaro**

09:20 - 09:40 Fertility preservation: the need of a guidance for frequent scenarios (ablation or excision?) - **M. Guido**

09:40 - 10:00 Medical or surgical approach for adolescent endometriosis

10:00 - 10:20 Go deep: does fibrosis matter? (clinical aspects, new therapies)

10:20 - 11:00 Questions & answers

11:00 - 13:30 SESSION 4: REPRODUCTIVE MEDICINE

Chairmen: M.E. Coccia, M. Vicino

Provokers: A. Iuliano, D. Petruzzi

11:00 - 11:20 Key note i-ART - **C. Alviggi**

11:20 - 11:40 Pre-implantation genetic diagnosis in IVF / ICSI cycles: it is always useful to do it - **V. Pisaturo**

11:40 - 12:00 Time Fly - Pregnancy in advanced reproductive age - **M.E. Coccia**

12:00 - 12:20 The gonadotropin prescription today ... - **C. De Stefano**

12:20 - 12:40 Oocyte rejuvenation between dream and reality – **C. Pozzobon**

12:40 - 13:00 Poor Responders - **J. Remohi**

13:00 - 13:30 Questions & answers

13:30 - 15:00 Lunch

15:00 - 16:40 SESSION 5: PROLAPSE

Chairmen: N. Colacurci, F. Sirimarco

Provokers: A. Albano, S. Incandela

15:00 - 15:20 The role of vaginal mesh in modern age - **A. Ercoli**

15:20 - 15:40 Debate - The role of patient satisfaction on surgical indication - **V. Bergamini vs M. Parma**

15:40 - 16:00 Debate - Technical comparison: laparoscopies vaginal approach to POP - **A. Perandini vs M. Candiani**

16:00 - 16:20 Complications of POP surgery: tips and tricks to avoid them - **S. Salvatore**

16:20 - 16:40 Questions & answers

16:40 - 19:30 SESSION 6: ONCOLOGY

Chairmen: A. Chiàntera, E. Vizza

Provokers: B. Chiofalo, E. De Trana

16:40 - 17:10 **Keynote** - Laparoscopic interval debulking surgery in ovarian cancer - **G. Scambia**

17:10 - 17:40 Tips and tricks in sentinel lymphnode biopsy for gynecological tumors - **E. Vizza**

17:40 - 18:10 Minimally invasive surgery in cervical cancer: state of the art - **M. Malzoni**

18:10 - 18:40 Morcellation and sarcomas is it the risk still existing? - **F. Zullo**

18:40 - 19:00 Questions & answers

19:00 - 19:30 QUIZZ Challenge

SATURDAY 17th OCTOBER 2020

09:00 - 12:00 SESSION 7: FUTURE INNOVATION ONGOING

Chairmen: M. Candiani, E. Viora

Provokers: A. Arena, G. Trojano

09:00 - 09:30 **Key note** - Approaching the nodule: what is the best route - **A. Wattiez**

09:30 - 10:00 Debate - Isthmocele, surgical correction: vaginal or hysteroscopic approach? - **M. Candiani vs A. Di Spiezio Sardo**

Candiani vs A. Di Spiezio Sardo

10:00 - 10:30 The second youth of laser in hysteroscopy - **L. Nappi**

10:30 - 11:00 The second youth of laser in laparoscopy - **M. Candiani, S. Ferrari**

11:00 - 11:30 Histologic nature of the uterine septum and its clinical insights - **S. Bettocchi**

11:30 - 12:00 Questions & answers

12:00 - 12:30 Test ECM and closing remarks
